

Benefit Golf Classic & Resort Weekend

FEATURING LPGA TOURING PROFESSIONALS

January 26–27, 2013

*ChampionsGate Golf Club, International Course
at the Omni Orlando Resort
ChampionsGate, Florida*

Event Location

ChampionsGate Golf Club and Omni Orlando Resort at ChampionsGate

This prestigious charity event, benefiting the American Speech-Language-Hearing Foundation, will feature a combination of challenging golf on the renowned ChampionsGate International Course and luxurious accommodations that will delight both golfer and nongolfer alike!

All tournament participants will receive a treat bag, golf shoes, and a sleeve of golf balls. Special prizes will await you on multiple holes, including contests for players at all levels and an automobile for the first hole-in-one. Tournament awards feature net prizes for golf flights.

The Tournament Format

The Benefit will feature the Scramble format: a foursome playing with an LPGA touring professional. After the best drive is determined, each golfer will hit from that point and progress in this same manner until the ball is holed.

*A top LPGA Teaching and Club Professional, **Suzy Whaley** is ranked in Golf Digest's "America's 50 Best Teachers" for 2011–2012.*

LPGA Pros

Among our field of LPGA pros who have appeared in previous years' golf benefits are Donna Andrews, Beth Bader, Jean Bartholomew, Audra Burks, Heather Daly, Moira Dunn, Sandra Gal, Jackie Gallagher, Becky Iverson, Brittany Lincicombe, Leta Lindley, Kristy McPherson, Janice Moodie, and Suzy Whaley.

We are proud and grateful to announce that LPGA professional Suzy Whaley will return to coordinate an excellent pro player field and lead an invigorating pretournament clinic.

Greg Norman

Golf Course

A memorable experience awaits you at this golfer's paradise! ChampionsGate has been named among *Golf World* Readers' Choice "Top 50 Resort Courses" and *Condé Nast Traveler's* "Top 100 Golf Resorts in the World," and is home to two world-class golf courses designed by internationally renowned golfer Greg Norman.

The tournament's unique International Course is reminiscent of British Open-style golf, with fast running fairways, chipping and putting options from off the greens, and more than 160 bunkers—amidst natural marshes, wetlands, and plenty of Florida

wildlife. In addition to superb walk-out golf from your accommodations, ChampionsGate is also the world headquarters of the David Leadbetter Golf Academy.

Participants' Golf Practice Round

To schedule a practice round at ChampionsGate, contact the Golf Shop at 407-787-4653, mention the American Speech-Language-Hearing Foundation tournament to receive reduced rates at specific time slots, and reserve by personal credit card. Don't forget: reserve tee times in advance due to in-season demand. Participants who prefer to practice at one of the nearby local courses should contact the selected course.

American Speech-Language-Hearing Foundation

The vision of the ASHFoundation is to build a future where the dreams and possibilities of 49 million children and adults with communication disorders can come true.

Proceeds from the Benefit Golf Classic will support the research and education programs of the ASHFoundation, including student and new investigator research grants, masters and doctoral scholarships, clinical achievement programs, and special projects.

Your support will:

- empower investigators to explore innovative approaches for assessing and treating speech, language, and hearing disorders;
- accelerate the pace of high-priority research in areas of greatest need;
- ensure excellence in training future generations of professionals and in encouraging talented teacher-investigators;
- stimulate partnerships to increase technology solutions;
- invest in the future to enable individuals with communication disorders to reach their full potential.
