

## WELCOME TO SALUS UNIVERSITY

### **DID YOU KNOW these not-so-secret Salus Facts?**

- We were established in Philadelphia as the Pennsylvania College of Optometry and over the past 94 years have established an exemplary global reputation for innovation in medical education and science.
- Our main campus is located in Elkins Park, Pennsylvania, just outside Philadelphia, and we offer programs around the globe.
- Four healthcare-focused colleges collectively offer a wide range of degree-granting programs, including Doctor of Philosophy, Bioscience :
  - Pennsylvania College of Optometry
    - Doctor of Optometry degree; Master of Science degree in Clinical Optometry for international practitioners
  - George S. Osborne College of Audiology
    - Doctor of Audiology degree; Advanced Studies Certificates in specialized areas
  - College of Education and Rehabilitation
    - Doctor of Occupational Therapy degree; Master of Science degrees in Occupational Therapy, Low Vision Rehabilitation and other low vision and blindness specialties
  - College of Health Sciences
    - Master of Medical Science degree, Physician Assistant; Master of Public Health degree
- The Eye Institute (main campus and two affiliated sites) and Pennsylvania Ear Institute (within main campus) are among our clinical practices that annually treat thousands of patients.
- Our full-time enrollment is nearly 1,150 and we stay in contact with more than 12,000 alumni/alumnae worldwide.

### **What makes our new President special?**

Dr. Michael H. Mittelman (Salus '80) is no ordinary university President. He is:

- A highly decorated, 33-year U.S. Navy veteran who rose to the rank of Rear Admiral before retiring to lead Salus University.
- The immediate past Deputy Surgeon General and Deputy Chief, Bureau of Medicine and Surgery.
- A former Commander, U.S. Naval Hospital, Okinawa, Japan; Optometry Department Chief, U.S. Naval Hospital, Rota, Spain.
- Former Command Surgeon, U.S. Joint Forces Command and Medical Advisor to the Commander, Supreme Allied Command for Transformation (NATO)
- Former Command Surgeon, U.S. Pacific Command.

## **SALUS UNIVERSITY FACT SHEET (page 2)**
